

BUSINESS IMMIGRATION PLANS OVERVIEW

Immigration pathways such as C11, LMIA-Exempt Categories, Start-Up Visa, EB2 NIW, L1A, UK Innovator, UK Expansion Worker, European Entrepreneur Visas, and Dubai Golden/Green Visa Programs require a high-quality, structured, and evidence-based business plan to support the legal argument and demonstrate the applicant's genuine business intent and economic contribution.

Our service is designed exclusively for immigration attorneys and licensed consultants who need reliable, professional, and legally aligned business plans for their clients.

We do not provide immigration advice. We support the legal submission with a strategic, data-backed business plan.

What This Service Includes ?

Our Business Immigration Plans include:

A. Industry Research & Market Analysis (Country-Specific)

- Market size, trends, demand
- Competitor analysis
- Industry feasibility
- SWOT analysis
- Opportunity mapping
- Regulation-specific evidence (Example: C11 "Significant Benefit" analysis)

B. Business Model Design

- Operational structure
- Service/product lines
- Revenue logic
- Market entry strategy
- Customer segmentation
- Scalability & long-term feasibility

This ensures the business aligns with immigration program expectations.

C. Financial Forecast & Job Creation Plan

- Profit & loss forecast
- Cashflow estimates
- Budget allocation
- Salary structure
- Hiring timeline
- Job creation projections
- Local economic benefit outline

This is essential for programs like C11, L1A, UK Expansion, D2/D7, and Golden Visas.

D. Operational & Implementation Strategy

- Setup plan (month-by-month)
- Location justification
- Marketing strategy
- Technology & infrastructure
- Supplier partnerships
- Compliance requirements
- Expansion roadmap (1-3 years)

E. Contribution Statement (Very Important)

Each plan includes tailored sections such as:

C11 "Significant Benefit to Canada"	EB2 NIW "National Importance & Applicant Merit"	L1A "Managerial/Executive Role Justification"
UK Innovator "Innovation, Viability & Scalability"	Golden Visa "Economic impact & investment rationale"	

These sections directly support the legal submission.

F. Applicant Profile Integration

- Founder background
- Skills & experience mapping
- Achievements
- Industry relevance
- Why the applicant is capable of executing this plan

We translate the applicant's experience into strong immigration suitability.
